Paul,

I have reviewed your motion for remand. It is the same motion you filed in the Southern District. It contains the same untrue factual allegations, which you know to be untrue and Judge Herndon mentioned in his brief ruling on your motion.

If you do not withdraw this motion, I will move for sanctions and attorney's fees.

Please let me know how you plan to proceed.

Erin

I disagree with your statements regarding the motion but will agree to withdraw it. Thanks.
